Hurray! I can confirm my details and my consignment will be transported

What happens after submitting consignment Details where does it go?

- After submitting Details by user they are sent to manager to approve the details
- Later approving by manager request sent to user to confirm their details
- After confirming payment is done by user

After payment done manager sends consignment details to supervisor to manage the further process

Supervisor manages consignment details and does vehicle maintenance

Supervisor allocates drivers for respective vehicles

Drivers informs the vehicle information i.e., vehicle tracking

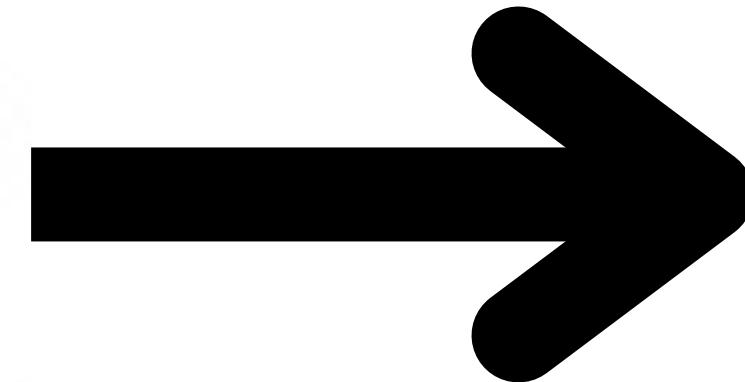

Manager

SuperVisor
